

MODA QUARTZ CARE & MAINTENANCE GUIDELINES

MODA QUARTZ IS A PERFECT BLEND OF POLYMERIC TECHNOLOGY COMBINED WITH THE BEAUTY AND DURABILITY OF NATURAL QUARTZ. MODA QUARTZ SURFACES ARE FOOD SAFE, EXTREMELY DURABLE, VERY EASY TO MAINTAIN AND COME WITH A TRANSFERABLE LIMITED 15-YEAR RESIDENTIAL AND 10-YEAR COMMERCIAL WARRANTY. OUTLINED IN THIS DOCUMENT ARE THE RECOMMENDED CARE & MAINTENANCE GUIDELINES REQUIRED TO MAINTAIN SERVICE UNDER THE LIMITED WARRANTY.

QUALITY ATTRIBUTES:

- EASY TO MAINTAIN – IN MOST CASES USE SOFT CLOTH, OR SPONGE WITH A DILUTED MILD DISH-SOAP AND WARM WATER. CLEAN AS YOU GO!
- NONPOROUS – REQUIRES NO SEALING
- VARIATIONS IN COLOR, PATTERN, SIZE, SHAPE, AND SHADE ARE UNIQUE INHERENT QUALITIES OF THE PRODUCT.
- FOOD SAFE – HYGIENIC – NSF CERTIFICATION IN PROCESS
- GREENGUARD GOLD CERTIFICATION IN PROCESS
- DURABLE – SCRATCH & STAIN RESISTANT
- RESIDENTIAL 15 YEAR LIMITED WARRANTY; COMMERCIAL 10 YEAR LIMITED WARRANTY

CARE & MAINTENANCE GUIDELINES:

WHILE MODA QUARTZ IS RESISTANT TO STAINING, IT IS NOT STAIN PROOF. MINIMAL MAINTENANCE AND ROUTINE CLEANING WITH WARM WATER, A MILD DETERGENT AND A SOFT CLOTH WILL KEEP YOUR MODA QUARTZ SURFACE LOOKING ITS BEST.

DO NOT APPLY ANY SEALERS, PENETRANTS, OR TOPICAL TREATMENTS TO YOUR MODA QUARTZ SURFACE. SUCH PRODUCTS MAY DISCOLOR THE SURFACE RESEMBLING A STAIN AND WILL WEAR OFF OVERTIME CAUSING A DULL, OR INCONSISTENT FINISH TO THE SURFACE.

MODA QUARTZ, JUST LIKE OTHER QUARTZ SURFACES CAN BE DAMAGED BY STRONG CHEMICALS AND SOLVENTS. AVOID USING ABRASIVE AGENTS SUCH AS DRAIN, DISHWASHER, PAINT, AND OVEN CLEANSERS, OR OTHER HI PH CHEMICALS. RINSE YOUR MODA QUARTZ SURFACE THOROUGHLY WITH WATER SHOULD THEY COME INTO CONTACT WITH THESE TYPES OF CHEMICALS.

FOR STUBBORN SPOTS, USE A SOFT CLOTH, SPONGE, OR NON-SCRATCH PAD AND A MILD, NEUTRAL PH / NON-ABRASIVE CLEANSER ALONG WITH PLENTY OF WATER TO CLEAN THE SURFACE. ALTHOUGH MODA QUARTZ IS EXTREMELY SCRATCH RESISTANT, IT IS NOT SCRATCH PROOF. TAKE CARE NOT TO SCRUB TOO HARD TO CREATE A DULL SPOT.

FOR DRIED RESIDUE, IT IS BEST TO LIGHTLY SCRAPE OFF EXCESS RESIDUE BEFORE ATTEMPTING TO CLEAN THE SURFACE. FOLLOW ABOVE GUIDELINES TO CLEAN THE SURFACE.

IT IS STRONGLY RECOMMENDED TO USE A CUTTING BOARD RATHER THAN CUTTING, OR CHOPPING DIRECTLY ON YOUR COUNTERTOP SURFACE. MODA QUARTZ IS EXTREMELY SCRATCH RESISTANT; HOWEVER, NO SURFACE IS SCRATCH PROOF.

AVOID PLACING HOT OBJECTS, SUCH AS HOT PANS AND EVEN APPLIANCES THAT MAY EMIT HIGH LEVELS OF HEAT AS THEY CAN POTENTIALLY DAMAGE THE SURFACE. WE RECOMMEND USING A HOT PAD, OR TRIVET TO AVOID POTENTIAL THERMAL DAMAGE TO THE SURFACE.

IN SUMMARY:

- EASY TO MAINTAIN – IN MOST CASES USE SOFT CLOTH, OR SPONGE WITH A DILUTED MILD DISH-SOAP AND WARM WATER. CLEAN AS YOU GO!
- HIGH ALKALINE (HIGH-PH) OR ACIDIC (LOW-PH) CLEANSERS ARE NOT RECOMMENDED.
 - DO NOT EXPOSE MODA QUARTZ TO BLEACH, OVEN CLEANER, COMET, SOFT SCRUB, SOS, PUMICE, BATTERIES, PAINT REMOVERS, FURNITURE STRIPERS, TARNISH, SILVER CLEANSERS, OR FINGERNAIL POLISH REMOVER.
- DO NOT USE ABRASIVE, OR HARSH SCRUB PADS.
- DO NOT APPLY AND SEALER, PENETRATING, OR TOPICAL TREATMENTS UNDER ANY CIRCUMSTANCE.
- DO NOT EXPOSE TO EXTREME HEAT – USE OF CROCK POTS, ELECTRIC SKILLETS, OR TRANSFERRING HOT POTS/PANS DIRECTLY ONTO MODA QUARTZ SURFACES IS NOT RECOMMENDED AND MAY CAUSE DAMAGE DUE TO THERMAL SHOCK.
 - RECOMMEND USE OF TRIVET, OR HOT PAD.
- DO NOT CUT, OR CHOP ON MODA QUARTZ SURFACE.
 - RECOMMEND USE OF CUTTING BOARD.
- AVOID IMPACTING, OR HITTING FINISHED EDGES PARTICULARLY AROUND SINK CUTOUTS AND ABOVE DISHWASHER.
